YEPI

YOUNG ENTREPRENEURS
PITCH INITIATIVE

The flagship entrepreneurship track of the **Wisdom for Business Conference 2026**

Saturday 31 October
Johannesburg, South Africa

01 — BRAND IDEA

Two paths. One rise.

The mark draws a **Y** from two paths. **Blue** is wisdom — the conference, its mentors and judges. **Mint** is the young founder's venture. They meet at the centre, and between them an arrow rises: the pitch that turns an idea into funded growth. Every piece of YEPI communication shows that same movement — two sides converging, something rising.

Guided

Mentored, rehearsed, backed by people who've built before.

Ambitious

Ventures ready to scale. Say the number: R250,000.

Upward

Kingdom-aligned purpose. Capital as stewardship, not hype.

Where young ideas rise. Primary tagline

02 — LOGO

Four approved versions. Use the primary horizontal wherever width allows; stacked for square and portrait formats; the mark alone only once YEPI is already named nearby.

03 — COLOUR

Taken from the mark. Navy is the ground; Path Blue and Growth Mint always appear as a pair, never one without the other in a layout. Close enough to the conference's blue and mint to read as family.

04 — TYPOGRAPHY

Archivo (free, Google Fonts) matches the wordmark's heavy, slightly wide geometry. Its width axis covers headlines, body text and the tracked labels from the logo's subline.

05 — GRAPHIC ELEMENTS

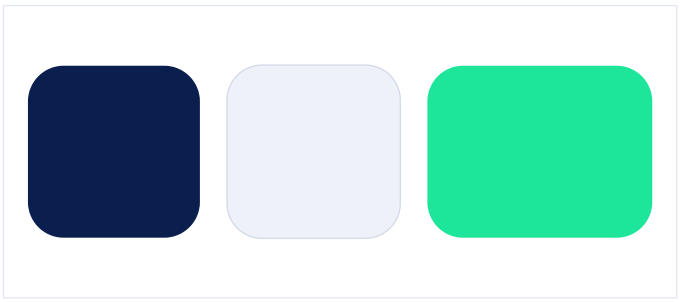

Everything comes from the mark: its paths, its arrow, its rounded corners.

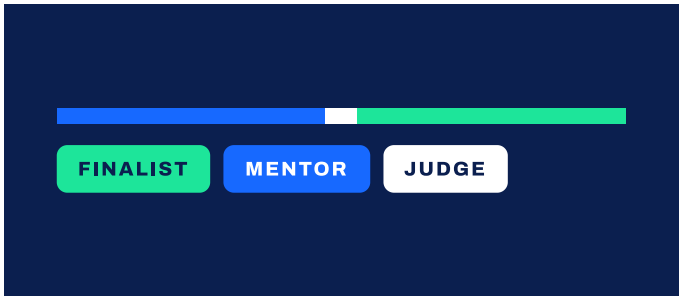

Converging paths. The two bands at large scale, cropped by the frame. Keep the 38° angle and equal widths. Never show one path alone.

Rise arrow. The arrow alone marks progress — prize tiers, timeline steps, bullets. Always points up.

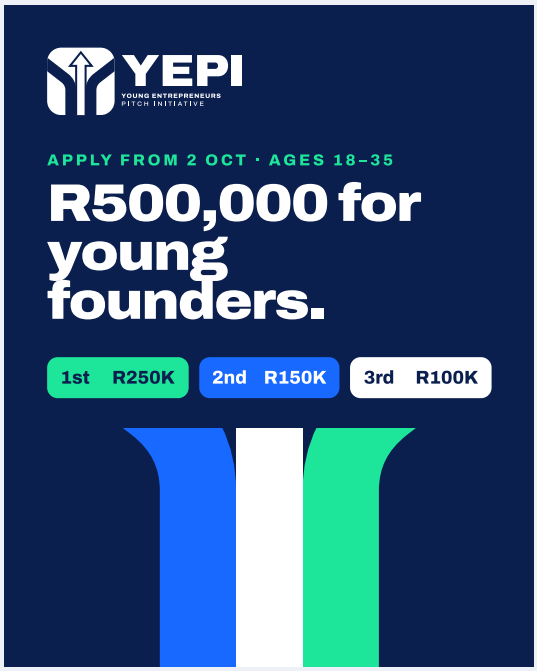

Mark-radius frames. Photos and cards use the mark's corner: radius = 21% of the shorter side.

Lane rule & role tags. Blue · white · mint divider echoes the mark's centre. Tags use Label type with 8px corners.

Launch post, stage screen and finalist pass.

Role is shown by the tag colour: **Mint** finalists, **Blue** mentors, **Navy/White** judges and committee. The lane rule always sits above the footer.
